1   About USAspending.gov Downloads Data Dictionary

This document provides information about the data fields, descriptions and their formats for the download files available from the USAspending.gov downloads center. The downloads center provides data in three formats CSV, TSV and XML for Contracts, Assistance and Sub-awards data. In order to learn more about the data and the sources please go to the USAspending.gov website by clicking on the following link
https://www.usaspending.gov/about/Pages/TheData.aspx

2   Downloading Data
2.1   Filters

USAspending.gov allows the user to select various parameters to download the data as per their selections including:

- Prime Awards, Sub-Awards

- Type of Spending (Contracts, Grants, Loans, Other Financial Assistance)

- Fiscal Year

- Major Agency/ALL

- Bureau/ALL

- Fiscal Year

- Recipient State

- Place of Performance State

- Type of Output (CSV, TSV, XML)

3   Contracts Data Fields Dictionary

Field Name	Length	Description
a76action	string maxlength(10)	Indicates whether the contract action resulted from an A- 76/Fair Act competitive sourcing process.
account_title	string maxlength(300)	The description of the Program Source
agencyid	string maxlength(500)	A code for the governmental agency or bureau that executed or is otherwise responsible for the transaction.
aiobflag	string maxlength(50)	Indicates whether the vendor is an American Indian Owned Business.
annualrevenue	string maxlength(25)	The contractor's annual gross revenue, taken from an average of the last three years. Usually obtained from the CCR (Central Contractor Registry).
apaobflag	string maxlength(50)	Indicates whether the vendor is an Asian-Pacific American Owned Business.
baobflag	string maxlength(50)	Indicates whether the vendor is a Black American Owned Business.
baseandalloptionsvalue	amount	It is the mutually agreed upon total contract or order

	maxlength(8)	value including all options (if any). For Indefinite Delivery Vehicles, the estimated value for all orders expected to be placed against the vehicle. For modifications, the change (positive or negative, if any) in the mutually agreed upon total contract value.
baseandexercisedoptionsvalue	amount maxlength(8)	The contract value for the base contract and any options that have been exercised.
ccrexception	string maxlength(1)	Indicates the reason a vendor/contractor not registered in the mandated CCR system may be used in
city	string maxlength(250)	The city of the contractor address.
claimantprogramcode	string maxlength(500)	A claimant program number designates a grouping of supplies, construction, or other services. This data field may have a code from the DoD Procurement Coding Manual Section III, DoD Claimant Program Number.
clingercohenact	string maxlength(50)	Indicates the funding office has certified that the information technology purchase meets the planning requirements in 40 USC 1422 and 1423.
commercialitemacquisitionprocedures	string maxlength(500)	Indicates whether the solicitation used the special requirements for the acquisition of commercial items intended to more closely resemble those customarily used in the commercial marketplace as defined by FAR Part 12.
commercialitemtestprogram	string maxlength(500)	Indicates whether the solicitation used Commercial Item Acquisition Procedures (FAR Part 12) and Simplified Acquisition Procedures (FAR Part 13.5) for acquisitions above the Simplified Acquisition Threshold and below 5000000
competitiveprocedures	string maxlength(50)	The designator for competitive solicitation procedures available pursuant to FAR 6.1 and 6.2, a code that represents the competitive nature of the contract and designator for solicitation procedures other than full and open competition pursuant to FAR 6.3.
congressionaldistrict	string maxlength(50)	The Congressional district of the contractor, as derived from the Zip+4 in the contractor address.
consolidatedcontract	string maxlength(500)	Indicates whether the contract is a consolidated contract. This is only required if the Funding Agency or the contracting agency is a DoD Agency. Data field exists in XML schema version 1.2 and later only.
contingencyhumanitarianpeacekeepingoperation	string maxlength(500)	Indicates contract actions that exceed $200,000 and support a contingency operation, a humanitarian operation, or a peacekeeping operation.
contractactiontype	string maxlength(500)	The type of award for this record. Types of awards include Purchase Orders (PO), Delivery Orders (DO), BPA Calls and Definitive Contracts.
contractbundling	string maxlength(500)	Indicates that the value of the contract, including all options, is expected to exceed $5M as a result of consolidating separate small contracts into

contractfinancing	string maxlength(500)	Type of financing used to effect payment (progress payments, advance payments, etc.).
contractingofficeagencyid	string maxlength(500)	A code for the governmental agency or bureau that executed or is otherwise responsible for the transaction.
contractingofficeid	string maxlength(500)	The agency supplied code for the contracting office that executes the transaction.
contractingofficerbusinesssizedetermination	string maxlength(500)	The Contracting Officer's determination of whether the selected contractor meets the small business size standard for award to a small business for the NAICS code that is applicable to the contract.
costaccountingstandardsclause	string maxlength(50)	Indicates whether the contract includes a Cost Accounting Standards clause.
costorpricingdata	string maxlength(500)	Indicates whether cost or pricing data was obtained, not obtained, or waived for DoD assigned contracts.
countryoforigin	string maxlength(500)	Identifies the country of origin of the product.
currentcompletiondate	string maxlength(12)	The current expected or scheduled contract completion date, based on the initial schedule, any options exercised at the time of the award, and any modifications made later.
davisbaconact	string maxlength(50)	Indicates whether the transaction is subject to the Davis-Bacon Act (concerning the payment of prevailing wages on public works projects).
descriptionofcontractrequirement	string maxlength(5000)	A brief description of the goods or services bought (for an award) or that are available (for an IDV).
divisionname	string maxlength(100)	Vendor's name of their business division
divisionnumberorofficecode	string maxlength(100)	Vendor's name of their business division code
dollarsobligated	amount maxlength(8)	The net dollar amount that is obligated or de-obligated by this transaction. If the net is a de-obligation, the amount will be negative.
dunsnumber	string maxlength(50)	The Dun & Bradstreet number of the vendor. This is used to link records to the Central Contractor Registry (CCR) and only exists for vendors in the CCR.
educationalinstitutionflag	string maxlength(50)	Indicates whether the vendor is an Educational Institution.
effectivedate	string maxlength(12)	The date that the parties agree will be the starting date for the contract's requirements. Usually, this is the same as the date signed, but may be different.
emergingsmallbusinessflag	string maxlength(50)	Description not available
evaluatedpreference	string maxlength(500)	The type of preference determined for the contract action, reported when a contract was made pursuant to the socioeconomic program price evaluation preferences -- FAR 19.11 and FAR 19.13. Data field exists only in XML schema version 1.2 and later.
extentcompeted	string maxlength(500)	A code that represents how the contract was competed.

faxno	string maxlength(50)	The fax number of the contractor.
fedbizopps	string maxlength(50)	Indicates whether the synopsis requirements of FAR Subpart 5.2. have been observed.
federalgovernmentflag	string maxlength(50)	Indicates whether the vendor is a Federal Government Organization.
firm8aflag	string maxlength(50)	Indicates whether the vendor is an 8(a) Program Participant Organization.
fiscal_year	string maxlength(4)	The federal government fiscal year (starting October 1), determined by the "Signed Date" provided by FPDS.
fundedbyforeignentity	string maxlength(50)	Indicates that a foreign government, international organization, or foreign military organization bears some of the cost
fundingrequestingagencyid	string maxlength(500)	The agency provided code that identifies the agency that provided the preponderance of funds.
fundingrequestingofficeid	string maxlength(500)	The agency provided code that identifies the office that provided the preponderance of funds. If the Funding Agency is a DoD agency, the code is the DoD Activity Address Code
gfe_gfp	string maxlength(500)	Indicates whether Government Furnished Equipment (GFE) or Government Furnished Property (GFP) used for the contract, pursuant to FAR 45.
haobflag	string maxlength(50)	Indicates whether the vendor is a Hispanic American Owned Business.
hbcuflag	string maxlength(50)	Indicates whether the vendor is a Historically Black College or University.
hospitalflag	string maxlength(50)	Indicates whether the vendor is a Hospital.
hubzoneflag	string maxlength(50)	Indicates whether the vendor is a Historically Underutilized Business Zone (HUBZone) Firm.
idvagencyid	string maxlength(50)	This is a code for an agency, but it does not necessarily represent the agency that issued the contract. Instead, it serves as part of the unique identification for Federal Procurement Data System IDV records. For awards records, it partially identifies a linked IDV record.
idvmodificationnumber	string maxlength(50)	For IDV records, uniquely identifies the modification of the contract, agreement, or order. For awards records, it partially identifies a linked IDV record.
idvpiid	string maxlength(50)	When reporting orders under Indefinite Delivery Vehicles (IDV) such as a GWAC, IDC, FSS, BOA, or BPA, report the Procurement Instrument Identifier (Contract Number or Agreement Number) of the IDV. For the initial load of a BPA under a FSS, this is the FSS contract number. Note: BOAs and BPAs are with industry and not with other Federal
informationtechnologycommercialitemcategory	string maxlength(500)	A code that designates the commercial availability of an information technology product or service.
interagencycontractingauthority	string maxlength(500)	Indicates whether the transaction is an Economy Act or Statutory Authority
is1862landgrantcollege	string	Indicates whether the vendor is a 1862 Land Grant

	maxlength(50)	College.
is1890landgrantcollege	string maxlength(50)	Indicates whether the vendor is a 1890 Land Grant College.
is1994landgrantcollege	string maxlength(50)	Indicates whether the vendor is a 1994 Land Grant College.
isairportauthority	string maxlength(50)	Indicates whether the vendor is an Airport Authority.
isalaskannativeownedcorporationorfirm	string maxlength(50)	Indicates whether the vendor is Alaskan Native Owned Corporation or Firm
isarchitectureandengineering	string maxlength(50)	Indicates whether the vendor is a Architecture And Engineering.
iscitylocalgovernment	string maxlength(50)	Indicates whether the vendor is a City Local Government.
iscommunitydevelopedcorporationownedfirm	string maxlength(50)	Indicates whether the vendor is a Community Developed Corporation Owned Firm.
iscommunitydevelopmentcorporation	string maxlength(50)	Indicates whether the vendor is a Community Development Corporation.
isconstructionfirm	string maxlength(50)	Indicates whether the vendor is a Construction Firm.
iscorporateentitynottaxexempt	string maxlength(50)	Indicates whether the vendor is a Corporate Entity Not Tax Exempt.
iscorporateentitytaxexempt	string maxlength(50)	Indicates whether the vendor is Corporate Entity, Tax Exempt
iscouncilofgovernments	string maxlength(50)	Indicates whether the vendor is a Council of Governments.
iscountylocalgovernment	string maxlength(50)	Indicates whether the vendor is a County Local Government.
isdomesticshelter	string maxlength(50)	Indicates whether the vendor is a Domestic Shelter.
isdotcertifieddisadvantagedbusinessenterprise	string maxlength(50)	Indicates whether the vendor is DoT Certified Disadvantaged Business Enterprise
isecondisadvwomenownedsmallbusiness	string maxlength(50)	This code is reported for a Women Owned Small Business Set-Aside made pursuant to FAR 19.15. This code is only valid for actions signed on or after 04/01/2011.
isfederalgovernmentagency	string maxlength(50)	Indicates whether the vendor is a Federal Government Agency.
isfederallyfundedresearchanddevelopmentcorp	string maxlength(50)	Indicates whether the vendor is a Federally Funded Research and Development Corporation.
isforeigngovernment	string maxlength(50)	Indicates whether the vendor is a Foreign Government.
isforeignownedandlocated	string maxlength(50)	Indicates whether the vendor is Foreign Owned and Located.
isforprofitorganization	string maxlength(50)	Indicates whether the vendor is is a Profit Organization or not
isfoundation	string maxlength(50)	Indicates whether the vendor is Foundation
ishispanicservicinginstitution	string maxlength(50)	Indicates whether the vendor is Hispanic Servicing Institution
ishousingauthoritiespublicortribal	string maxlength(50)	Indicates whether the vendor is a Housing Authorities Public/Tribal.

isindiantribe	string maxlength(50)	Indicates whether the vendor is an Indian Tribe
isintermunicipallocalgovernment	string maxlength(50)	Indicates whether the vendor is a Inter Municipal Local Government.
isinternationalorganization	string maxlength(50)	Indicates whether the vendor is a International Organization.
isinterstateentity	string maxlength(50)	Indicates whether the vendor is a Interstate Entity.
isjointventureecondisadvwomenownedsmallbusiness	string maxlength(50)	This code is reported for a Women Owned Small Business Set-Aside made pursuant to FAR 19.15. This code is only valid for actions signed on or after 04/01/2011.
isjointventurewomenownedsmallbusiness	string maxlength(50)	This code is reported for a Women Owned Small Business Set-Aside made pursuant to FAR 19.15. This code is only valid for actions signed on or after 04/01/2011.
islaborsurplusareafirm	string maxlength(50)	Indicates whether the vendor is a Labor Surplus Area Firm.
islimitedliabilitycorporation	string maxlength(50)	Indicates whether the vendor is a Limited Liability Corporation.
islocalgovernmentowned	string maxlength(50)	Indicates whether the vendor is a Local Government Owned.
ismanufacturerofgoods	string maxlength(50)	Indicates whether the vendor is Manufacturer of Goods
ismunicipalitylocalgovernment	string maxlength(50)	Indicates whether the vendor is a Municipality Local Government.
isnativehawaiianownedorganizationorfirm	string maxlength(50)	Indicates whether the vendor is a Native Hawaiian Owned Organization Or Firm.
isotherbusinessororganization	string maxlength(50)	Indicates whether the vendor is Other Business Or Organization.
isotherminorityowned	string maxlength(50)	Indicates whether the vendor is a Other Minority Owned.
isothernotforprofitorganization	string maxlength(50)	Indicates whether the vendor is a Other Not For Profit Organization.
ispartnershiporlimitedliabilitypartnership	string maxlength(50)	Indicates whether the vendor is a Partnership Or Limited Liability Partnership.
isplanningcommission	string maxlength(50)	Indicates whether the vendor is a Planning Commission.
isportauthority	string maxlength(50)	Indicates whether the vendor is a Port Authority.
isprivateuniversityorcollege	string maxlength(50)	Indicates whether the vendor is Private University or College
issbacertifiedsmalldisadvantagedbusiness	string maxlength(50)	Indicates whether the vendor is a Small Disadvantaged Business Organization
isschooldistrictlocalgovernment	string maxlength(50)	Indicates whether the vendor is a School District Local Government.
isschoolofforestry	string maxlength(50)	Indicates whether the vendor is School of Forestry
isserviceprovider	string maxlength(50)	Indicates whether the vendor is a Service Provider.
issmallagriculturalcooperative	string maxlength(50)	Indicates whether the vendor is a Small Agricultural Cooperative.

issoleproprietorship	string maxlength(50)	Indicates whether the vendor is a Sole Proprietorship.
isstatecontrolledinstitutionofhigherlearning	string maxlength(50)	Indicates whether the vendor is State Controlled Institution of Higher Learning
issubchapterscorporation	string maxlength(50)	Indicates whether the vendor is a Subchapter S Corporation.
istownshiplocalgovernment	string maxlength(50)	Indicates whether the vendor is a Township Local Government.
istransitauthority	string maxlength(50)	Indicates whether the vendor is a Transit Authority.
istribalcollege	string maxlength(50)	Indicates whether the vendor is Tribal College
istriballyownedfirm	string maxlength(50)	Indicates whether the vendor is a Tribally Owned Firm.
isveterinarycollege	string maxlength(50)	Indicates whether the vendor is a Veterinary College.
isveterinaryhospital	string maxlength(50)	Indicates whether the vendor is Veterinary Hospital
iswomenownedsmallbusiness	string maxlength(50)	The code is reported for a Women Owned Small Business Set-Aside made pursuant to FAR 19.15. This coder is only valid for actions signed on or after 4/01/2011
last_modified_date	string maxlength(12)	Last date the record was modified as reported by FPDS
lastdatetoorder	string maxlength(12)	Late date on which an order may be placed against this indefinite delivery vehicle.
lettercontract	string maxlength(100)	Indicates whether the award is an Undefinitized Action.
localareasetaside	string maxlength(50)	When awarding emergency response contracts during the term of a major disaster or emergency declaration by the President of the United States under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121, et seq.), preference shall be given, to the extent feasible and practicable, to local firms. Preference may be given through a local area set-aside
localgovernmentflag	string maxlength(50)	Indicates whether the vendor is a Local Government Organization.
locationcode	string maxlength(10)	The code from the combined FIPS Pub. 10 and FIPS Pub. 55 that identifies the place where the work is being performed.
maj_agency_cat	string maxlength(500)	The combination of two leftmost characters of the contracting agency code representing major federal organizations and departments and its description.
maj_fund_agency_cat	string maxlength(500)	The combination of two leftmost characters of the funding agency code representing major federal organizations and departments and its description.
majorprogramcode	string maxlength(50)	The agency determined code for a major program within the agency. For an Indefinite Delivery Vehicle, this may be the name of a GWAC (e.g., ITOPS or COMMITS).

	string maxlength(500)	
manufacturingorganizationtype		Code that indicates vendor entity
minorityinstitutionflag	string maxlength(50)	Indicates whether the vendor is a Minority Institution.
minorityownedbusinessflag	string maxlength(50)	Indicates whether the vendor is a Minority Owned Business.
mod_agency	string maxlength(500)	Not available
mod_parent	string maxlength(250)	The parent company for the vendor, as provided by D&B.
modnumber	string maxlength(50)	An identifier that uniquely identifies a modification for a contract, agreement, or order.
multipleorsingleawardidc	string maxlength(500)	Indicates whether the contract is one of many that resulted from a single solicitation, all of the contracts are for the same or similar items, and contracting officers are required to compare their requirements with the offerings under more than one contract or are required to acquire the requirement competitively among the awardees. BPA "Multiple or Single Award IDV" value does not pull the "Multiple or Single Award IDV" value of the referenced FSS to the BPA. The "Multiple or Single Award IDV" value shall be required and selected by the user for all BPA bases created.
multiyearcontract	string maxlength(500)	Indicates whether this is a multi-year contract, a contract for the purchase of supplies or services for more than 1, but not more than 5, program years. Such contracts are issued under specific congressional
naobflag	string maxlength(50)	Indicates whether the vendor is a Native American Owned Business.
nationalinterestactioncode	string maxlength(500)	A code that represents the national interest for which the contract is created
nonprofitorganizationflag	string maxlength(50)	Indicates whether the vendor is a Nonprofit Organization.
numberofactions	string maxlength(50)	The number of actions that involved contract modifications for additional supplies or services. Can be reported for new contracts or contract modification transactions.
numberofemployees	string maxlength(50)	The contractor's business size in terms of number of employees. Usually obtained from the CCR (Central Contractor Registry).
numberofoffersreceived	string maxlength(50)	The number of actual offers/bids received in response to the solicitation.
organizationaltype	string maxlength(50)	A code for the type of organization of the vendor.
otherstatutoryauthority	string maxlength(10)	Indicates whether the transaction is subject to other statutory authority (i.e., legislation other than the Economy Act).
parentdunsnumber	string maxlength(50)	DUNS Number of the parent company
performancebasedservicecontract	string	Indicates whether the contract is a Performance-

	maxlength(500)	Based Service Acquisition (PBSA) as defined by FAR 37.601. A PBSA describes the requirements in terms of results rather than the methods of performance of the work and has other detailed requirements.
phoneno	string maxlength(50)	The phone number of the contractor.
piid	string maxlength(50)	The unique identifier for each contract, agreement or order.
placeofmanufacture	string maxlength(500)	Represents whether the end products procured by the contract are manufactured inside or outside the U.S. in accordance with the Buy American Act (see FAR 25.1) and any exceptions or reasons for waivers employed.
placeofperformancecity	string maxlength(50)	The city that is the principal place where the work was / is performed.
placeofperformancecongressionaldistrict	string maxlength(2)	The Congressional district that is the principal place in which the work was / is performed.
placeofperformancecountrycode	string maxlength(100)	The country that is the principal place where the work was / is performed.
placeofperformancezipcode	string maxlength(10)	The Zip code of the principal place where the work was / is performed. Data field exists only in XML schema version 1.2 and later.
pop_cd	string maxlength(4)	The combination of the Congressional district code and description for the principal place in which the work was / is performed.
pop_state_code	string maxlength(40)	The two character state code for the principal place where the work was / is performed.
priceevaluationpercentdifference	string maxlength(50)	Indicates the percent difference between the award price and the lowest priced offer from a responsive, responsible non-HUBZone or non-SDB
prime_awardee_executive1	string maxlength(100)	The name of the Prime Awardee Executive
prime_awardee_executive1_compensation	amount maxlength(8)	The Prime Awardee Executive compensation value
prime_awardee_executive2	string maxlength(100)	The name of the Prime Awardee Executive
prime_awardee_executive2_compensation	amount maxlength(8)	The Prime Awardee Executive compensation value
prime_awardee_executive3	string maxlength(100)	The name of the Prime Awardee Executive
prime_awardee_executive3_compensation	amount maxlength(8)	The Prime Awardee Executive compensation value
prime_awardee_executive4	string maxlength(100)	The name of the Prime Awardee Executive
prime_awardee_executive4_compensation	amount maxlength(8)	The Prime Awardee Executive compensation value
prime_awardee_executive5	string maxlength(100)	The name of the Prime Awardee Executive
prime_awardee_executive5_compensation	amount maxlength(8)	The Prime Awardee Executive compensation value

principalnaicscode	string maxlength(50)	The principal North American Industry Classification System (NAICS) code (used to designate major sectors of the economies of Mexico, Canada, and the United States) that indicates the industry in which the contractor does business.
productorservicecode	string maxlength(500)	The code that best identifies the product or service procured. If more than one code applies, then the code that represents most of the ultimate contract value is reported.
programacronym	string maxlength(50)	The short name or title used for a GWAC or other contracting program. Examples include COMMITS, ITOPS, SEWP.
progsourceaccount	string maxlength(50)	Account Code part (3rd to 6th characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
progsourceagency	string maxlength(50)	Agency Code part (First 2 characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
progsourcesubacct	string maxlength(50)	Sub-Account Code part (7th to 9th characters) of Treasury Account Symbol (9 characters) assigned by U.S.
psc_cat	string maxlength(50)	The major category that the Federal Procurement Data System Product or Service Code for the record falls within (see page 12 of http://www.fpdsng.com/downloads/service_product_codes.p
purchasecardaspaymentmethod	string maxlength(500)	Indicates whether the method of payment under an award is the Purchase Card. Agencies may issue formal contract documents and make payment using the Purchase Card. It is also
reasonformodification	string maxlength(500)	Code for the type of modification to an award or IDV performed by this transaction.
reasonnotcompeted	string maxlength(500)	A code for the reason the contract was not competed -- i.e., solicitation procedures other than full and open competition pursuant to FAR 6.3.
rec_flag	string maxlength(5)	Identifies whether the Treasury Account Symbol is for Recovery.
receivescontracts	string maxlength(50)	Indicates whether the vendor receives contracts
receivescontractsandgrants	string maxlength(50)	Indicates whether the vendor receives Contracts and Grants.
receivesgrants	string maxlength(50)	Indicates whether the vendor receives Grants.
recoveredmaterialclauses	string maxlength(500)	Indicates whether Recovered Material Certification and/or Estimate of Percentage of Recovered Material Content for EPA-Designated Products clauses were included in the contract.
registrationdate	string maxlength(12)	Description not available
renewaldate	string maxlength(12)	Description not available
research	string	A code used when the contract was awarded as part

	maxlength(250)	of a Small Business Innovation Research or Small Technology Transfer Research Program. Data field exists only in XML schema version 1.2 and later.
saaobflag	string maxlength(50)	Indicates whether the vendor is a Subcontinent Asian (Asian-Indian) American Owned Business.
sdbflag	string maxlength(50)	Indicates whether the vendor is a Self-Certified Small Disadvantaged Business Organization.
seatransportation	string maxlength(500)	Indicates whether the contractor anticipates that some of the supplies may be transported by sea.
servicecontractact	string maxlength(50)	Indicates whether the transaction is subject to the Service Contract Act (concerning payment of prevailing wage rates and fringe benefits to service employees).
shelteredworkshopflag	string maxlength(50)	Indicates whether the vendor is a Sheltered Workshop (JWOD Provider) Organization.
signeddate	string maxlength(12)	The date that a mutually binding agreement was reached. The date signed by the Contracting Officer or the Contractor, whichever is later.
smallbusinesscompetitivenessdemonstrationprogram	string maxlength(500)	Indicates whether the contract was awarded to a U.S. business concern as a result of a solicitation issued on or after Jan 1, 1989 as part of the Small Business Competitiveness Program (FAR Part 19.10).
solicitationid	string maxlength(50)	Identifier used to link transactions to solicitation information.
solicitationprocedures	string maxlength(500)	A code for the type of solicitation procedures used. Data field exists only in XML schema version 1.2 and later.
srdvobflag	string maxlength(50)	Indicates whether the vendor is a Service-Related Disabled Veteran Owned Business.
state	string maxlength(50)	The state in the contractor address.
statecode	string maxlength(50)	The U.S. state that is the principal place where the work was / is performed.
stategovernmentflag	string maxlength(50)	Indicates whether the vendor is a State Government Organization.
statutoryexceptiontofairopportunity	string maxlength(250)	A code indicating a statutory exception to Fair Opportunity, used awarding a non competitive task order or delivery order exceeding $2500.00 against an IDIQ contract.
streetaddress	string maxlength(250)	The first line of the street address for the contractor.
streetaddress2	string maxlength(250)	The second line of the street address for the contractor.
streetaddress3	string maxlength(250)	The third line of the street address for the contractor.
subcontractplan	string maxlength(500)	Indicates whether a Subcontracting Plan was included in the contract
systemequipmentcode	string maxlength(500)	Two codes that identify the program and weapons system or equipment purchased by a DoD agency. The first character is a number 1-4 that identifies the DoD component. The last 3 characters identify that component's program, system, or equipment.

	string maxlength(6)	The status of the particular record, either 'active' or 'inactive'.
transaction_status		
transactionnumber	string maxlength(50)	Unique identifier for each transaction for a contracting action or modification. There can be more than one in situations such as when an action includes more than one contract type.
tribalgovernmentflag	string maxlength(50)	Indicates whether the vendor is a Tribal Government Organization.
typeofcontractpricing	string maxlength(500)	The type of contract as defined in FAR Part 16 that applies to this procurement. Can be fixed price, cost
typeofidc	string maxlength(50)	Identifies whether the IDC or Multi- Agency Contract is Indefinite Delivery/Requirements, Indefinite Delivery/Indefinite Quantity, or Indefinite Delivery/Definite Quantity.
typeofsetaside	string maxlength(500)	A code for the type of set aside determined for the contract action. Data field exists only in XML schema version 1.2 and later.
ultimatecompletiondate	string maxlength(12)	The estimated or scheduled completion date including the base contract or order and all options (if any) whether the options have been exercised or not.
unique_transaction_id	string maxlength(16)	The unique identifying record id.
useofepadesignatedproducts	string maxlength(500)	Indicates whether EPA approved products with a minimum recovered material content were used, or whether an exception was made.
vendor_cd	string maxlength(50)	The combination of the Congressional district code and description of the contractor, as derived from the Zip+4 in the contractor address.
vendor_state_code	string maxlength(50)	The two character state code in the contractor address
vendoralternatename	string maxlength(250)	Alternate name for vendor
vendoralternatesitecode	string maxlength(50)	Alternate site code for vendor
vendorcountrycode	string maxlength(50)	The country code in the contractor address.
vendordoingasbusinessname	string maxlength(400)	The doing as business name of the contractor address.
vendorenabled	string maxlength(250)	Description not available
vendorlegalorganizationname	string maxlength(250)	Vendor legal name
vendorlocationdisableflag	string maxlength(50)	Description not available
vendorname	string maxlength(250)	The name of the vendor awarded the contract as it appears in CCR or as entered by the user if CCR exception is selected.
vendorsitecode	string maxlength(50)	Vendor site code
veteranownedflag	string maxlength(50)	Indicates whether the vendor is a Veteran Owned Business.

		Indicates whether the transaction is subject to the Walsh-Healy Act (passed in 1936, establishing
walshhealyact	string maxlength(500)	overtime as hours worked in excess of 40 hours per week).
womenownedflag	string maxlength(50)	Indicates whether the vendor is a Woman Owned Business.
zipcode	string maxlength(50)	The zip code in the contractor address.

4   **Assistance Data Fields Dictionary**

This section covers the data fields for Grants, Loans and Other Financial Assistance.

Field Name	Length	Description
account_title	string maxlength(175)	The description of the Program Source.
action_type	string maxlength(4003)	The type of action for the record: whether it is a new assistance action, a continuation, a revision, or a funding adjustment.
agency_code	string maxlength(156)	A code indicating which governmental agency or bureau provided the award.
agency_name	string maxlength(72)	The name of the governmental agency or bureau that provided the award.
assistance_type	string maxlength(154)	The original Federal Assistance Awards Data System assistance type code, modified by USAspending.gov into a set of broader categories (direct grants, loans, insurance, etc.)
asst_cat_type	string maxlength(5)	The type of assistance provided by the award: whether it is a grant, cooperative agreement, direct payment, loan, insurance, etc.
cfda_program_num	string maxlength(7)	The numeric code that indicates the program under which this award was funded within the Catalog of Federal Domestic Assistance (CFDA). Numbers that contain AAA, AAB etc. are pseudo-codes and are not in CFDA.
cfda_program_title	string maxlength(300)	The title of the program under which the award was funded, taken from the Catalog of Federal Domestic Assistance (CFDA).
correction_late_ind	string maxlength(303)	Indicates that the action record is either a correction of a record from a previous quarter or a late reported record from a previous quarter. The previous quarter is indicated in the Corrected Fiscal Year / Quarter data field.
duns_conf_code	string maxlength(2)	Optional data field to enter the D&B Confidence Code received for validated DUNS data (As provided to agencies by Dun & Bradstreet when obtaining DUNS). OMB encourages Agencies
duns_no	string maxlength(9)	Unique nine-digit number issued by Dun & Bradstreet to the Agency. Followed by optional DUNS Plus 4 which allows an agency to submit different bank account data for a single DUNS
ending_date	string maxlength(20)	The ending date for the award.
exec1_amount	amount maxlength(8)	The Prime Awardee Executive compensation value
exec1_fullname	string maxlength(500)	The name of the Prime Awardee Executive

	amount	The Prime Awardee Executive compensation value
exec2_amount	maxlength(8)	
exec2_fullname	string maxlength(500)	The name of the Prime Awardee Executive
exec3_amount	amount maxlength(8)	The Prime Awardee Executive compensation value
exec3_fullname	string maxlength(500)	The name of the Prime Awardee Executive
exec4_amount	amount maxlength(8)	The Prime Awardee Executive compensation value
exec4_fullname	string maxlength(500)	The name of the Prime Awardee Executive
exec5_amount	amount maxlength(8)	The Prime Awardee Executive compensation value
exec5_fullname	string maxlength(500)	The name of the Prime Awardee Executive
face_loan_guran	amount maxlength(8)	The face value of the direct loan or loan guarantee.
fed_funding_amount	amount maxlength(8)	Amount of federal government's obligation or contingent liability, in dollars. A negative number represents a decrease in funding.
federal_award_id	string maxlength(16)	An agency-specific unique ID number for each individual assistance award. There may be more than one action record per assistance award, because of continuations, revisions, funding adjustments, corrections, etc.
federal_award_mod	string maxlength(4)	A modification number used to indicate action records that modify a previous action record with the same federal award ID.
fiscal_year	string maxlength(4)	The fiscal year in which the award occurred. It may be different from the fiscal year of the award record if the record is a late filing or correction of an amount for a prior fiscal year. Data field added by USAspending.gov.
Fyq	string maxlength(5)	The fiscal year and fiscal year quarter for this record, with the first four digits being the year, the fifth the quarter.
fyq_correction	string maxlength(25)	The fiscal year (first four digits) and quarter (fifth digit) of the previous fiscal year and quarter that this record corrects, or which it is a late report for.
last_modified_date	string maxlength(10)	The date the award was submitted or updated using the Award Submission Portal (ASP)
maj_agency_cat	string maxlength(162)	The combination of two leftmost characters of the contracting agency code representing major federal organizations and departments and its description.
non_fed_funding_amount	amount maxlength(8)	Amount of non-federal funding, in dollars. A negative number represents a decrease in funding.
obligation_action_date	string maxlength(20)	Obligation or action date for the award.
orig_sub_guran	amount maxlength(8)	The original subsidy cost of the direct loan or loan guarantee.
principal_place_cc	string maxlength(50)	The city or county name of the principal place of performance for the award.
principal_place_cd	string maxlength(2)	The Congressional District of the principal place of performance for the award.
principal_place_code	string maxlength(7)	A code for the principal place of performance for the award. The first two digits are the state FIPS code, the next five the county FIPS (three digits followed by **) or city FIPS code. 00***** = multi- state, 00FORGN = foreign country.

principal_place_country_code	string maxlength(7)	The country that is the principal place where the work was / is performed.
principal_place_state	string maxlength(50)	The state or territory name of the principal place of performance for the award.
principal_place_state_code	string maxlength(5)	The combination of two character state code and the state or territory name of the principal place of performance for the award.
principal_place_zip	string maxlength(9)	The 9 digit zip code (zip+4) of the principal place of performance for the award.
progsrc_acnt_code	string maxlength(4)	Account Code part (3rd to 6th characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
progsrc_agen_code	string maxlength(2)	Agency Code part (First 2 characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
progsrc_subacnt_code	string maxlength(3)	Sub-Account Code part (7th to 9th characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
project_description	string maxlength(149)	The description of the project grants, loans, direct payments, insurance or other categories of grants.
rec_flag	string maxlength(3)	Identifies whether the Treasury Account Symbol is for Recovery
receip_addr1	string maxlength(70)	Recipient 's Full address Line 1
receip_addr2	string maxlength(70)	Recipient 's Full address Line 2
receip_addr3	string maxlength(70)	Recipient 's Full address Line 3
recip_cat_type	string maxlength(28)	The original Federal Assistance Awards Data System recipient type code, modified by USAspending.gov into a set of broader categories (government, individual, nonprofit, for profit, higher ed, other).
recipient_cd	string maxlength(2)	The Congressional district in which the address of the recipient of the award is located. 90 indicates district not known, 00 at- large or statewide, 98 nonvoting, 99 no representative.
recipient_city_code	string maxlength(5)	The five-digit FIPS city code for the city in the address of the recipient of the award.
recipient_city_name	string maxlength(42)	The city in which the address of the recipient of the award is located.
recipient_country_code	string maxlength(3)	The ISO or FIPS code for the country in which the recipient of the award is located.
recipient_county_code	string maxlength(3)	The three-digit FIPS county code or ANSI INCITS county code for the county in which the address for the recipient of the award is located.
recipient_county_name	string maxlength(42)	The county in which the address for the recipient of the award is located.
recipient_name	string maxlength(90)	The name of the recipient of the award.
recipient_state_code	string maxlength(2)	The two-digit FIPS or INCITS state code for the state or territory in which the address for the recipient of the award is located.
recipient_type	string maxlength(154)	The type of recipient (i.e., state government, local government, Indian tribe, individual, small business, for- profit, nonprofit, etc.)
recipient_zip	string maxlength(9)	The ZIP code in the address of the recipient of the award.
record_type	string maxlength(1)	Federal Assistance Awards Data System record type: 1 = county aggregate record, 2 = individual action record.

sai_number	string maxlength(20)	A number assigned by state (as opposed to federal) review agencies to the award during the grant application process.
starting_date	string maxlength(20)	The starting date for the award.
total_funding_amount	amount maxlength(8)	The total federal plus non-federal funding amount in dollars. A negative number represents a decrease in funding.
transaction_status	string maxlength(10)	The status of the particular record, either 'active' or 'inactive'.
unique_transaction_id	string maxlength(16)	The unique identifying record id.
Uri	string maxlength(70)	An agency defined identifier that is unique for every reported action.

5   Sub-awards Data Fields Dictionary

Field Name	Length	Description
prime_award_agencyid	string maxlength(9)	Identifier used to link agency in FPDS-NG to award information
prime_award_amount	amount maxlength(8)	The net dollar amount that is obligated or de-obligated by the award, including modifications, for the Prime Awardee. If the net is a de- obligation, the amount will be negative.
prime_award_cfda_program_number_title_codes	string maxlength(606)	A comma separated list of the numbers and program titles associated with the published description of Federal assistance program in the Catalog of Federal Domestic Assistance (CFDA) for the prime award
prime_award_contracting_agency_id	string maxlength(9)	A code for the governmental agency or bureau that executed or is otherwise responsible for the prime award.
prime_award_contracting_agency_name	string maxlength(67)	Agency name for the governmental agency or bureau that executed or is otherwise responsible for the prime award.
prime_award_contracting_major_agency_id	string maxlength(9)	The combination of two leftmost characters of the contracting agency code representing major federal organizations and departments
prime_award_contracting_major_agency_name	string maxlength(61)	The description for the contracting major agency
prime_award_contracting_office_id	string maxlength(11)	The agency supplied code for the contracting office that executes the prime award.
prime_award_contracting_office_name	string maxlength(73)	The agency supplied name for the contracting office that executes the prime award.
prime_award_date_signed	string maxlength(12)	The date that a mutually binding agreement was reached. The date signed by the Contracting Officer or the Contractor, whichever is later.
prime_award_date_submitted	string maxlength(12)	The date when FFATA Subaward Reporting System (FSRS) Report was submitted for the prime award
prime_award_federal_award_id	string maxlength(21)	The award number or other identifying number assigned by the Federal awarding agency, such as the federal grant number.

	string maxlength(4)	The federal government fiscal year (starting October 1)
prime_award_fiscal_year		
prime_award_funding_agency_id	string maxlength(9)	A code for the agency that provided the preponderance of the funds obligated by this prime award. If left blank, defaults to Contracting Agency.
prime_award_funding_agency_name	string maxlength(68)	Agency name for the agency that provided the preponderance of the funds obligated by this prime award. If left blank, defaults to Contracting Agency.
prime_award_funding_major_agency_id	string maxlength(9)	The code for the funding major agency
prime_award_funding_major_agency_name	string maxlength(61)	The description for the funding major agency
prime_award_funding_office_id	string maxlength(11)	The agency provided code that identifies the office that provided the preponderance of funds. If the Funding Agency is a DoD agency, the code is the DoD Activity Address Code (DODAAC).
prime_award_funding_office_name	string maxlength(79)	The agency provided name that identifies the office that provided the preponderance of funds. If the Funding Agency is a DoD agency, the code is the DoD Activity Address Code (DODAAC).
prime_award_idvagencyid	string maxlength(9)	This is a code for an agency, but it does not necessarily represent the agency that issued the contract. Instead, it serves as part of the unique
prime_award_idvpiid	string maxlength(29)	When reporting orders under Indefinite Delivery Vehicles (IDV) such as a GWAC, IDC, FSS, BOA, or BPA, report the Procurement Instrument Identifier (Contract Number or Agreement Number) of the IDV. For the initial load of a BPA under a FSS, this is the FSS contract number. Note: BOAs and BPAs are with industry and not with other Federal Agencies.
prime_award_piid	string maxlength(42)	The unique identifier for each contract, agreement or order.
prime_award_principal_naics_code	string maxlength(11)	The principal North American Industry Classification System (NAICS) code (used to designate major sectors of the economies of Mexico, Canada, and the United States) that indicates the industry in which the contractor does business.
prime_award_principal_naics_desc	string maxlength(123)	The description for principal North American Industry Classification System (NAICS) code
prime_award_principal_place_city	string maxlength(80)	The city name that is the principal place where the work was / is performed.
prime_award_principal_place_country	string maxlength(7)	The country that is the principal place where the work was / is performed.
prime_award_principal_place_district	string maxlength(9)	The combination of the Congressional district code and description for the principal place in which the work was / is performed.
prime_award_principal_place_state	string maxlength(7)	The U.S. state that is the principal place where the work was / is performed.

prime_award_principal_place_street	string maxlength(45)	The street address of the principal place where the work was / is performed.
prime_award_principal_place_zip	string maxlength(17)	The Zip code of the principal place where the work was / is performed.
prime_award_program_source_account	string maxlength(9)	Account Code part (3rd to 6th characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
prime_award_program_source_agency	string maxlength(7)	Agency Code part (First 2 characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
prime_award_program_source_subaccount	string maxlength(8)	Sub-Account Code part (7th to 9th characters) of Treasury Account Symbol (9 characters) assigned by U.S. Department of Treasury.
prime_award_program_title	string maxlength(1064)	The description of the Program Source.
prime_award_project_description	string maxlength(1064)	Description of the overall purpose and expected outcomes, OR results of the prime award, including significant deliverables and, if appropriate, associated units of measure.
prime_award_report_id	string maxlength(38)	The unique identifying record id.
prime_award_report_month	string maxlength(7)	The FFATA Subaward Reporting System (FSRS) Report Period Month for the prime award
prime_award_report_type	string maxlength(12)	The FFATA Subaward Reporting System (FSRS) Type of Report for the prime award
prime_award_report_year	string maxlength(9)	The FFATA Subaward Reporting System (FSRS) Report Period Year for the prime award
prime_award_transaction_type	string maxlength(31)	The type of transaction of the prime award
prime_awardee_executive1	string maxlength(65)	The name of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive1_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive2	string maxlength(65)	The name of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive2_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive3	string maxlength(65)	The name of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive3_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive4	string maxlength(55)	The name of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive4_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_executive5	string maxlength(65)	The name of Top 5 highly compensated officials of the prime awardee organization

prime_awardee_executive5_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the prime awardee organization
prime_awardee_parent_contractor_name	string maxlength(91)	The parent company name for the vendor, as provided by Dun & Bradstreet (D&B)
prime_awardee_parent_duns	string maxlength(14)	The prime awardee parent organization's 9-digit Data Universal Numbering System (DUNS) number. This will be the same parent DUNS that appears in awardee's Central Contractor Registration (CCR) profile, as applicable.
prime_awardee_recovery_model_q1	string maxlength(6)	True or false flag in response to FFATA question for the prime awardee: In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (1) 80 percent or more of your annual gross revenues in U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?
prime_awardee_recovery_model_q2	string maxlength(6)	True or false flag in response to FFATA question for the prime awardee: Does the public have access to information about the compensation of the senior executives in your business or organization (including parent organization, all branches, and all affiliates worldwide) through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m (a), 78o (d)) or section 6104 of the Internal Revenue Code of 1986?
subaward_amount	amount maxlength(8)	The net dollar amount that is obligated or de-obligated by the sub-contract, including modifications, for the Sub Awardee. If the net is a de-obligation, the amount will be negative.
subaward_cfda_program_number_title_codes	string maxlength(608)	A comma separated list of the numbers and program titles associated with the published description of Federal assistance program in the Catalog of Federal Domestic Assistance (CFDA) for the sub-grant
subaward_date	string maxlength(12)	Date the sub-contract agreement was signed.
subaward_federal_agency_id	string maxlength(9)	A code indicating which governmental agency or bureau that provided the prime award.
subaward_federal_agency_name	string maxlength(68)	The name of the governmental agency or bureau that provided the prime award
subaward_fiscal_year	string maxlength(9)	The federal government fiscal year (starting October 1)
subaward_funding_office_id	string maxlength(11)	The agency provided code that identifies the office that provided the preponderance of funds. If the Funding Agency is a DoD agency, the code is the

		DoD Activity Address Code (DODAAC).
subaward_funding_office_name	string maxlength(79)	The agency provided name that identifies the office that provided the preponderance of funds. If the Funding Agency is a DoD agency, the code is the DoD Activity Address Code (DODAAC).
subaward_major_agency_id	string maxlength(9)	The code representing major federal organizations and departments for the prime award
subaward_major_agency_name	string maxlength(61)	The name representing major federal organizations and departments for the prime award
subaward_number	string maxlength(39)	An identifying number assigned by the prime awardee organization to facilitate the tracking of its sub-contracts.
subaward_principal_naics_code	string maxlength(11)	The principal North American Industry Classification System (NAICS) code (used to designate major sectors of the economies of Mexico, Canada, and the United States) that indicates the industry in which the sub-contractor does business.
subaward_principal_naics_desc	string maxlength(123)	The description for principal North American Industry Classification System (NAICS) code for the sub-contractor
subaward_principal_place_city	string maxlength(133)	The city name that is the principal place where the work was / is performed for the sub-contract.
subaward_principal_place_country	string maxlength(7)	The country that is the principal place where the work was / is performed for the sub-contract.
subaward_principal_place_district	string maxlength(9)	The combination of the Congressional district code and description for the principal place in which the work was / is performed for the sub-contract.
subaward_principal_place_state	string maxlength(7)	The U.S. state that is the principal place where the work was / is performed for the sub-contract.
subaward_principal_place_street	string maxlength(44)	The street name that is the principal place where the work was / is performed for the sub-contract.
subaward_principal_place_zip	string maxlength(25)	The Zip code of the principal place where the work was / is performed for the sub-contract.
subaward_project_description	string maxlength(4009)	Description of the overall purpose and expected outcomes, OR results of the sub-contract, including significant deliverables and, if appropriate, associated units of measure.
subaward_report_month	string maxlength(7)	The FFATA Subaward Reporting System (FSRS) Report Period Month for the sub-contract
subaward_report_year	string maxlength(9)	The FFATA Subaward Reporting System (FSRS) Report Period Year for the sub-contract
subawardee_business_types	string maxlength(255)	Comma separated list representing sub-contractor business types pulled from FPDS-NG (Federal Procurement Data System - Next Generation) or Central Contract Registration (CCR)
subawardee_city	string maxlength(34)	The city of the sub-contractor address.
subawardee_congressionaldistrict	string maxlength(9)	The Congressional district of the sub-contractor, as derived from the Zip+4 in the sub-contractor address.

subawardee_countrycode	string maxlength(7)	The country code in the sub-contractor address.
subawardee_dba_name	string maxlength(125)	The doing as business name of the sub-contractor
subawardee_dunsnumber	string maxlength(14)	The sub-contractor organization's 9-digit Data Universal Numbering System (DUNS) number.
subawardee_executive1	string maxlength(96)	The name of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive1_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive2	string maxlength(100)	The name of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive2_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive3	string maxlength(98)	The name of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive3_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive4	string maxlength(78)	The name of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive4_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive5	string maxlength(100)	The name of Top 5 highly compensated officials of the sub-awardee organization
subawardee_executive5_compensation	amount maxlength(8)	The total compensation of Top 5 highly compensated officials of the sub-awardee organization
subawardee_name	string maxlength(125)	The name of the sub-contractor who receives the sub-contract, as it appears in Central Contract Registration (CCR)
subawardee_parent_contractor_name	string maxlength(94)	The parent company name for the sub-contractor, as provided by Dun & Bradstreet (D&B)
subawardee_parent_duns	string maxlength(14)	The Dun & Bradstreet (D&B) number of the parent company of the sub- contractor.
subawardee_recovery_model_q1	string maxlength(6)	True or false flag in response to FFATA question for the sub-contractor: In your business or organization's previous fiscal year, did your business or organization (including parent organization, all branches, and all affiliates worldwide) receive (1) 80 percent or more of your annual gross revenues in U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?
subawardee_recovery_model_q2	string maxlength(6)	True or false flag in response to FFATA question for the sub-contractor:

		Does the public have access to information about the compensation of
subawardee_state	string maxlength(7)	The state in the sub-contractor address.
subawardee_street	string maxlength(125)	The street address for the sub-contractor.
subawardee_zipcode	string maxlength(25)	The zip code in the sub-contractor address.
type_of_spending	string maxlength(7)	The Type of Spending for the award
